

**University of Arkansas – Fort Smith**  
**College of Health Sciences – Emergency Medical Technology**  
**Health Care Provider Statement/Medical Release**

---

*Prior to entrance into a health sciences program, a medical release must be completed by your health care provider. If at any time during the program your health status changes, you must have your health care provider complete the medical release form.*

All College of Health Sciences (CHS) students must be physically, emotionally, and academically able to safely demonstrate completion of all required learning activities. Learning activities include successful completion of course, clinical, and theory objectives in order to successfully complete the CHS curriculum. All students must submit the health care provider statement/medical release, medical history, and student physical ability requirements. CHS students will be treated respectfully regardless of race, color, national origin, gender, age, religion, or disability. In turn, CHS students will treat their clients respectfully regardless of race, color, national origin, gender, age, religion, or disability. UA Fort Smith provides reasonable accommodation and services to otherwise qualified students who have physical, emotional, and/or learning disabilities unless making the accommodation poses an undue hardship on the University or jeopardizes client safety.

CHS students will be in clinical courses requiring the safe application of both gross and fine motor skills as well as critical thinking skills. All of these skills are an inherent element of clinical practice. Usual and required activities routinely conducted by students include care for clients that may be ambulatory or comatose and involves all age ranges from premature infants to gerontology clients. Required abilities are: walking, standing for up to twelve hours, bending, reaching, turning, listening, observation, and moderate to heavy lifting (at least 75 pounds). There always exists potential exposure to communicable diseases and other pathogens.

**STUDENT AFFIRMATION:** I understand the student academic role and clinical performance requirements as noted on the physical abilities requirement form and agree that I have the primary responsibility of my own health status. I agree that I will not knowingly place myself, clients, or others in unsafe situations based upon my physical, mental, or emotional limitations. I have completed and signed the physical abilities requirements form. I authorize my health care provider to release the information requested below concerning my health status to the CHS. A student not being truthful or falsifying the health policy documents will be dismissed from the CHS Program.

**HEALTH CARE PROVIDER Instructions:** Please answer the following questions with the understanding of the academic role and clinical performance requirements of CHS students. Please do not attach any medical records.

1. Does the student have any medications, limitations, or disabilities identified on the medical history questionnaire that would interfere with the performance of the academic or clinical requirements specified above on this form? If yes, specify.

Yes       No

2. Based upon question #1, what special accommodations are medically necessary to assist the student with academic and clinical performance? Please mark N/A if not applicable.

3. State any instructions or limitations with which the student has been advised to comply. Please mark N/A if not applicable.

Physician/Clinic Stamp or Seal

\_\_\_\_\_  
 Signature of Health Care Provider (credentials)

\_\_\_\_\_  
 Date

\_\_\_\_\_  
 Print Name of Health Care Provider Office Address (include city, state, zip)

Note: The signatures of both the student and health care provider are required for admission. The names and information must be legible to be accepted. Illegible documents will be returned to the student.

A. Check either yes or no-give details of a “yes” answer in section B that follows. *Being untruthful or withholding information will result in dismissal from the CHS Program.*

Have you ever been treated for conditions or had indications of:

	Yes	No		Yes	No
1. Eye/vision problems			2. Skin rashes or eczema		
3. High blood pressure			4. Fainting or dizziness		
5. Tuberculosis or lung disease			6. Head Injury		
7. Asthma			8. Convulsions/Seizures		
9. Diabetes			10. Varicose veins		
11. Emphysema			12. Kidney/Bladder problems		
13. Epilepsy or seizure disorder			14. Allergies		
15. Arthritis/Rheumatism/Bursitis			16. Hemorrhoids		
17. Disease or pain of bones/joints			18. Hepatitis		
19. Ear problems			20. Psychiatric problems		
21. Muscle spasms			22. History of substance abuse		
23. Reaction to medications			24. Anemia/Blood disorders		
25. Reaction to chemicals			26. Heart problems		
27. Neck, shoulder, or back problems					

B. List below full details to questions answered “YES” in Section A, above. Use a separate sheet of paper if needed. A medical release for any of the above will be required for admission.

Question #	Condition/Treatment/Management	Date

C. Do you take medicine regularly?  Yes     No

If yes, list all prescribed and over-the-counter or herbal medications and reason for taking (use a separate sheet if needed):

Medication	Dosage	Reason
<i>Ex. Tylenol</i>	<i>325 mg every 4-6 hrs. as needed</i>	<i>headache</i>

Physical Abilities Requirement**

Student Name: \_\_\_\_\_

Semester Applied to Enter: \_\_\_\_\_

R-Regularly O-Occasionally	R	O	Measurable Descriptor
<b>Abilities</b>			
Vision: Corrected or Normal	X		Ability to read syringes, labels, instructions, & equipment
Color Vision	X		Color coded equipment
Hearing	X		Ability to hear through some equipment & noisy environments
Touch Temperature Discrimination	X		Palpation pulses & discriminate temperature & sensation; Use equipment requiring fine motor skills
Smell	X		Differentiate body odors, drainage, skin, & stool odor
Finger Dexterity/	X		Manipulation of equipment, dressings, IV & other functions requiring finger dexterity; assessment
Intelligible oral communication	X		Communication with clients, staff members, peers & faculty
Appropriate non-verbal communication	X		Therapeutic communication with client and health care team
Pushing	X		Lbs/ft: 100, equipment, carts with and without clients
Pulling	X		Lbs/ft: 50, equipment, & client carts
Lifting	X		Lbs/ft: 50, clients, equipment, and supplies
Floor to waist	X		Lbs 75: 3 man lift of patients
Reaching forward	X		Moving clients & equipment
Carrying	X		Lbs 50
Standing & Walking	X		Long periods, up to twelve hours
Sitting	X		Infrequent and short periods, break and lunch
Stooping/Bending	X		Infrequent and short periods; adjusting equipment
Kneeling/Crouching		X	Infrequent and short periods; adjusting equipment
Running		X	Infrequent, emergency situations
Crawling		X	Short periods, emergency, adjusting equipment
Climbing	X		Infrequent, patient care activities
Stairs (ascending/descending)		X	Infrequent, emergency situations
Turning (head/neck/waist)	X		Frequent extended periods; may position for long periods
Repetitive arm movement	X		Key Boards/Computer

I have read, understand, and accept the above working conditions expected of a CHS student in the academic and clinical setting and certify that I am able to meet these requirements.

Immunizations/Certification Requirements**

My signature indicates that I understand the College of Health Sciences has immunizations/certification requirements and that I am in compliance with requirements. I understand copies of these proofs of immunizations/certification will be presented to the clinical agencies. Failure to initiate and maintain a current health record will prevent attending the clinical experience resulting in failure of the course and/or dismissal from the program.

Name: \_\_\_\_\_

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**TST: (Mantoux tuberculin skin test)**

Initial testing: two step tuberculin skin testing for initial test and then annually thereafter. A positive tuberculin skin test result should be followed with an initial chest radiograph. If chest x-ray is negative, repeat radiographs are not needed unless symptoms develop that could be attributed to TB. A two-step TB is required if you have not been tested in 5 years.

**TST:** Date issued: \_\_\_\_\_

**Td & Tdap: (Tetanus and Diphtheria & Tetanus, Diphtheria, and Pertussis Vaccine)**

Td: Two IM doses 4 weeks apart; third dose 6-12 months after second dose; booster every 10 years.

Tdap: Health care workers under 65 who have direct patient contact in hospitals or clinics should get a dose of Tdap regardless of the interval since the last Td.

**Tdap:** Date of immunization: \_\_\_\_\_

**Hep B: (Hepatitis B recombinant vaccine)**

Three IM doses: Initial dose, second dose 1-2 months after the initial dose, third dose 4-6 months after second; booster not necessary **OR** attach a signed waiver.

**Hep B:** Date of initial dose: \_\_\_\_\_

Date of second dose: \_\_\_\_\_

Date of third dose: \_\_\_\_\_

Signed Waiver: \_\_\_\_\_

**MMR: (Measles, Mumps, Rubella vaccination)**

Measles component: Health care workers born during or after 1957 who do not have documentation of having received 2 doses of live vaccine on or after the first birthday or a history of physician diagnosed measles or serologic evidence of immunity. One dose SC; second dose at least 1 month later. Measles vaccination should be considered for all HCWs who lack proof of immunity, including those born before 1957.

Mumps component: Adults born before 1957 can be considered immune to mumps. One dose SC; no booster.

Rubella: Health care workers who do not have documentation of having received live vaccine on or after their first birthday or laboratory evidence of immunity. Adults born before 1957, except women who can become pregnant, can be considered immune. One dose SC; no booster.

**MMR:** DOB: \_\_\_\_\_

Date of immunization: \_\_\_\_\_

Date of second immunization: \_\_\_\_\_

**VZV: (Varicella Zoster live virus vaccine)**

Two 0.5ml doses SC 4-8 weeks apart if  $\geq 13$  years of age. Indicated for health care workers who do not have a reliable history of varicella. Recommend having a titer run, diagnosis or verification of a history of varicella or herpes zoster by a health care provide, or vaccinations.

**VZV:** Dates of immunizations: \_\_\_\_\_

Documentation of History: \_\_\_\_\_

Date of positive titre: \_\_\_\_\_

**Influenza**

Recommend having vaccination annually **OR** attach a signed waiver.

**Influenza:** Date of immunization: \_\_\_\_\_

Signed waiver: \_\_\_\_\_

**CPR (Cardiopulmonary Resuscitation)**

American Heart Association: Health Care Provider Required

**CPR expiration date:** \_\_\_\_\_

## Hepatitis B Vaccine Waiver

Vaccine-preventable disease levels are at or near record lows. Even though most infants and toddlers have received all recommended vaccines by age two, many under-immunized children remain, leaving the potential for outbreaks of disease. Many adolescents and adults are under-immunized as well, missing opportunities to protect themselves against diseases such as Hepatitis B, influenza, pneumococcal disease, and Varicella Zoster.

The University of Arkansas - Fort Smith College of Health Sciences encourages students/faculty to follow the recommendations of the Center for Disease Control and Prevention (CDC). The CDC strongly recommends that health care workers (HCW) (e.g., physicians, nurses, emergency medical personnel, dental professionals and students, medical and nursing students, laboratory technicians, hospital volunteers, and administrative staff) receive vaccination for vaccine-preventable diseases.

I understand and have read the information regarding Hepatitis B on the CDC website [www.cdc.gov](http://www.cdc.gov). I understand the significance of the Hepatitis B vaccination requirement for HCW. I choose NOT to obtain the Hepatitis B vaccinations. Based on this, **I HEREBY WAIVE ANY CLAIMS AGAINST UA FORT SMITH, ITS BOARD OF TRUSTEES, OFFICERS, AND AFFILIATING AGENTS FROM ANY AND ALL LIABILITY, RESPONSIBILITY, DAMAGE, OR LOSS, WHETHER KNOWN OR UNKNOWN EXISTING OR POTENTIAL, AS A RESULT OF ANY CONTACT OR CONSEQUENCE THAT MAY ARISE FROM MY EXPOSURE.**
